WHAT MAKES HIS CANCER DIFFERENT?

We are powered by a relentless drive to bring biomarker-led innovation to people living with cancer.

EMD Serono
Curiosity Drives Our Innovation

EMD Serono is a business of Merck, KGaA, Darmstadt, Germany
About WCG
For over 50 years, WCG has protected the rights and well-being of clinical research participants: fueling progress by keeping volunteers safe. By protecting people, the company has gained unique insight into every aspect of clinical trial operations, and collecting independent, verifiable data from over 90% of the world’s trials. By removing many of the operational barriers to success, WCG is helping to maximize the value of clinical research.
